Citizens speak up at planning review

Environment still tops list of concerns

The environment remains a major concern for Haliburton County residents.

That was obvious at the third annual meeting of the Strategic Planning Committee held Wednesday at PineStone Resort.

From the need for sustainable development to the impact of unpleasant odours near the sewer line pumping stations along Lake Kashagawigamog, the members of the Highlands community share a growing concern for the well-being of the environment.

The morning meeting attracted close to 40 individuals representing seasonal and permanent residents, members of the business community and various groups and organizations.

The meeting heard from spokesmen for a variety of committees which were struck three years ago. These committees were instructed to focus on specific areas, identifying problems and suggesting solutions. Following a welcome by Jeanne Anthon, chair of the Hub Committee, the meeting heard the committee reports.

• Transportation: Les Shepherd reported that the committee has been examining two aspects of transportation: service and infrastructure. He told the meeting that attempts to introduce shuttle bus service within the county and between the county and Peterborough have been withdrawn because of lack of ridership. With co-ordinator Marilyn Pennycook adding comments, the meeting heard that the Peterborough bus was offered for four weeks, but was able to attract only two riders. The county shuttle bus was cancelled after a two month trial. Only two passengers took advantage of the service.

"We thought the demand would have been higher, but it didn't materialize," Shepherd said.

The committee has not taken any action on the infrastructure question as the county has started the official

Wet & wild

The smiles continued even though a rain deluged the Haliburton Rotary Carnival Wednesday. At the left, youngsters enjoy a carnival ride before the rain. Below, a soaked, but buoyant group ride the PineStone Resort float to the finish. The rain broke just before the start of the parade, but many of the floats and all of the bands completed the march delighting the spectators who sought shelter along Haliburton's Main Street.

Ministry gives nod to HHHS budget

The following report is a summary of items discussed at the July 29 meeting of the Haliburton Highlands Health Services Board meeting.

The HHHS operating budget has been tentatively approved by the Ministry of Health, pending some funding changes to the nursing plan across the province. Executive Director Foster Loucks stated that the balanced budget proposal that was submitted may be the reason for the prompt response from the ministry.

Loucks also noted that the ministry also stressed that the HHHS must work with other hospitals in the Haliburton, Kawartha, Pine Ridge district, with special attention paid to the creation

of an integrated information system. There was no mention of funding for the information systems project, which would cost well over \$100,000 annually.

The HHHS will also receive an additional \$20,000 for growth funding, which is based on growth levels for the county.

Obstetrics funding

The local Health Services board will receive \$5,000 from the Ministry of Health specifically for obstetrics in the area. It was noted the small amount reflects the fact there are few babies born at the Haliburton Hospital. There was discussion from some of the board members about the ability level of the

doctors performing deliveries when they have so few each year, but according to board member Dr. Conway, that really is not an issue. She stated that the comfort level in performing deliveries is still high with the doctors and that it really isn't a problem.

Foundation update

Dale Walker, chair of the Haliburton Highlands Health Services Foundation, updated the board on recent fundraising totals. Currently the Foundation has \$2.3 million with \$675,000 in pledges for a total of just under \$3 million. It was also mentioned that at the recent Music By The Gull BBQ, the Foundation raised just

Nursing shortage

(from page one)

over \$700. Walker also noted that the Foundation annual gala dinner and dance, will be held at the PineStone on August 28. Tickets, at \$100 per person, are now on sale.

Nursing dilemma

Dr. Aoife Conway reported on a situation the hospitals may be facing in the future regarding nurse staffing. She told the meeting that earlier in the spring, it appeared there could have

been a shortage of nurses. Several had left for health or personal reasons while others had moved on to other jobs. Some were replaced, so a shortage never materialized.

"It left some concerns over being able to cover some shifts and the amount of nurses to be called in," said Conway, who hoped that the board could look at why nurses have left and how to reduce the stress in their jobs.

Conway attributed the increased stress to the fact that many work more

than one part time job, the 100 per cent hospital occupancy, and the constant care required by chronic care patients. "What we would like to do is avoid this getting worse," said Conway. "That's where the care starts, with the nurses."

The board discussed this concern and reviewed the doctor's suggestions, which included more support, educational opportunities for nurses, an extended orientation period for new nurses. Foster Loucks and Hugh Nichol both agreed that the nurses had been under a great deal of stress.

"It has been stressful over the decade of the nineties," said Nichol, who felt that things would improve once the

capital projects were complete.

Chair Dave Coulson suggested that in September the board should invite a delegation of nurses to the board to hear what they have to say about the situation.

Sewer relief requested

The Township of Dysart submitted a statement of the cost to hook up the Haliburton Hospital to the sewer system. The cost of the hook-up will be \$108,000. Dave Coulson suggested that a letter be written to the municipality to determine if the cost could be reduced.

Meeting reviews opportunities and options

(from page one)

planning process, which is expected to provide direction over the next 20 years.

• **Marketing:** Stu Brandon reported that the committee has commissioned a study to assess business opportunities in the County and how best to market these to investors.

The study, which is reaching the conclusion of its first phase, was funded through a \$60,000 grant from Human Resources Canada. The study has included public meetings and a series of focus groups during which representatives of various sectors were given an opportunity to comment. Brandon said the group is attempting to develop an "image" for the Haliburton Highlands. "We feel we don't have one," Brandon told the meeting. He said the aim of the marketing meeting is to encourage activity which would support the economy in all four seasons. Brandon said one of the challenges facing the committee will be to

decide which group is responsible for marketing various aspects of the county. He said the Chamber of Commerce is doing an adequate job in the tourism area, but that other aspects of business development have not been pursued as the committee feels they should.

• **Health services:** Ross Davies, a member of the Haliburton Highlands Health Services Board, told the meeting that the redevelopment of the hospitals in Minden and Haliburton is about 50% completed. He noted that the public portion of the close to \$20 million cost of the projects is \$5.5 million and that almost \$3 million has been raised so far. He reported to the meeting that in addition to operating the two hospitals in the county, the board has expanded its services to include mental health services, supportive housing, diabetes education, and to provide support for groups attempting to deal with alcohol, drug and elder abuse. Davies noted that through a regional as-

sociation the local board is sharing resources and expertise with hospitals in the area.

• **Youth:** Faye Martin reported the objective of the committee was to address the needs of youth. She pointed out that many of these are on a more short-term basis than the other committees' objectives, which are looking five to 20 years into the future. She

said the committee has helped young people co-ordinate the construction of skate board and BMX bicycle parks and other recreational facilities for young people. She said the participants learn valuable skills when attempting to have their own projects completed. The process also gives the young a sense of being part of a solution and contributing the community as a whole. She said the recognition of their efforts is an important part of the experience. Martin also noted that the group has been able to hold an annual youth conference at one of the local camps.

• **Economic Diversification:** Andy Campbell told the meeting that his committee has been examining a number of areas of potential economic growth including culture and tourism, home based businesses and adult communities. He said the committee has been meeting with experts in a variety of fields to become acquainted with the approaches they might take. He explained that the committee is exploring such diverse possibilities as creation of lifestyle communities and increases in mineral tourism. He said the committee plans to create a pamphlet which would bring the information from the ten municipal jurisdictions together in one place, outlining such items as development charges and zoning regulations among others.

• **Networking:** Diana Ferguson pointed out that the committee had been in operation for less than a year. It was created to address technology needs, particularly in reference to the electronic transmission of information. As part of the committee's effort, the Community Access Program (CAP) has been re-introduced to the county. According to CAP co-ordinator,

Over 400 attend Minden Summer Wedding

by Ariel White

The twentieth annual Minden Horticultural Society Flower Show may have been a significant anniversary, but the atmosphere was akin to matrimony. This year's theme, A Garden Wedding, was evident throughout the Minden Community Centre, from the floral displays to the wedding cake. Over 400 guests took advantage of the open invitation to attend the two day ceremony.

The show was officially opened by long standing society members, Dick and Laura Kirkwood, who incidentally have been married for 64 years. Laura Kirkwood noted that flowers and romance go hand in hand, and that it was fitting that the society used this theme. The wedding motif extended past the floral arrangements, as many members brought in photographs and memorabilia from weddings past.

This year's show was well received, with a record attendance of over 400. As well, there were 326 entries in this year's show. Many spectators were amazed at the quality of the items on display, considering this year's dry and unforgiving summer. No matter what the weather may be, each entry must adhere to a strict set of provincial guidelines.

The results from the 1999 flower show follow. The names appear in the order of placing, including first, second, third and honourable mentions.

Congratulations to Dick Kirkwood of Minden

for correctly identifying all of the artifacts in the "Can You Guess What It Is?" contest sponsored by the County Town Museum at the Quilt, Rug and Fibre Arts Show held during the long weekend at the Minden Community Centre.

Over 30 people tried their skills at identifying 8 artifacts from the collection of the

County Town Museum. We promised to list the items in the paper. They are as follows:

1. tie stretcher
2. iron trivet
3. coffee grinder
4. striking hammer for stamping logs
5. wooden trivet for copper boiler (for boiling sealers when preserving)
6. meat tenderizer
7. hair clippers
8. apple peeler and corer

Dick will receive a beautiful pillar candle with glass base donated by Stedman's V&S Department Store, Minden, as the contest prize.

Gwen Scott, Clara Mous, B. Corkum tied for second place in correctly identifying 6 out of 8 items.

Staking a claim

It seems somewhat odd to us that Haliburton County Council has given a \$30,000 grant to the Bancroft Chamber of Commerce. The warden tells us that the one-time donation is recognition of the efforts of the Hastings County business organization to promote the eastern reaches of Haliburton County. The Warden also says the money was available as a result of the province's special funding during the downloading transition.

It is not that we aren't appreciative

of what our friends in Bancroft might do to help promote attractions in the eastern municipalities. We are. However, we also realize that the Bancroft Chamber is willing to promote these areas because it enhances its own attractiveness, not out of some altruistic sense of cross-border sharing. Much in the same way the Haliburton Highlands takes advantage of its proximity to Algonquin Park, (without a thought for compensation from the Park), the Bancroft group uses the attractions of the eastern part of the county to improve its own image. The only

difference is that the Mineral Capital of Canada Chamber has discovered a small motherlode.

This largesse seems particularly odd when compared to the \$55,000 the Haliburton Highlands Chamber of Commerce received from the county to assist in promoting the area this year. Is this the start of a new generosity by Haliburton County Council? If so we suggest there are many hard-working and struggling groups within the Highlands who have done a great deal to promote this area, groups which could use a hand as well.

Clean-up helps along rail trail

Editor:

Some of us are quick to complain or criticize others for actions causing damage or distress to persons, property, or the environment. Some are not nearly so quick to acknowledge and applaud when perpetrators have seen the errors of their ways and have attempted to mitigate some of the damage they caused. I write now to make amends for my tardiness.

Readers may recall that my letter to *The Times* of December 21, 1998 (page 6) described and complained about the ugliness caused by the destructive trail-clearing along much of the abandoned rail corridor between Haliburton and Kinmount.

This was done by a "bush-whacker" hired by the Haliburton County Snowmobile Association (HCSA) with equipment rental and labour paid for by the county. Unfortunately, many mangled trees beside parts of the rail corridor remained to spoil the "spectacular scenery," "unspoiled wilderness," and "pristine forest" of our county's promotional brochures.

My letter appealed for future supervision of trail-clearing by people with some appreciation and respect for the environment. Furthermore, it requested in the meantime that the group responsible for leaving such an ugly mess of the trail-side trees return under supervision to try to improve the appearance and health of the most visible casualties.

Several of us have walked or cycled most of the rail corridor this spring and

summer and are still saddened by the destruction. There is, however, some good news. Along some stretches of the corridor, many frayed limbs and the fright-wig-like ragged tops of stumps have been neatly cut off. Thus the trail-side vegetation, although neither attractive nor natural in these areas, looks much better than when I wrote earlier.

I hereby publicly thank those responsible for their efforts in improving the appearance of many damaged trees along our rail corridor. Let us hope that the HCSA and other user groups

Quick response

In the 50 years that my family has enjoyed an island cottage on Gull Lake, I can never remember a boating accident nearby, akin to the one reported in the Gull Lake Cottagers' Newsletter, summer 1999 edition.

Yes we have been careful, amid the traffic and increasing number of boats by day and night, but now we need to say thank you to local firefighters who acted so quickly and ably, putting aside everything else to be present.

It has been suggested that folk write in to support the theory that policing of night time boat travel is warranted.

Again thank you to a deserving crew.

Following Ottawa

Editor:

The County Committee to work with the OPP for police service voted in favour of the recommendation to keep the Coboconk station as a "garage" to park the officers' cars prior to going on duty. No officer or clerk will be on duty to serve the public at the premises.

It is the intent to have all officers in a car to answer your call for assistance. The number of officers available is a joke and you will likely simply get a phone call from the car as I personally experienced recently.

It would appear local politicians are following Ottawa's lead to impose whatever they deem appropriate regardless of the public request for a stand-alone detachment. We still have no death penalty, we still have the GST, we still have the ridiculous Young Offenders law, and we see no sign of the gun control law being rescinded.

Let us hope the Victoria County voters will remember this in November 2000 at municipal election day.

An honour to be Fall fair Ambassador

by Naomi Stephenson

My year as Junior Ambassador for the Haliburton County Fair is drawing to a close. It was quite an honour to have been chosen and I haven't taken the title lightly.

My family has participated, in some aspect, annually at our local fair. As children we entered our ponies in the events and in the parade, or decorated our bicycles and wagons. We shared our talents on the stage at the grandstand, and we always entered our crafts, hoping for ribbons. It took a lot of organizing on our parents' part, but as we look over old photographs taken at those events, we share a lot of good memories.

Often we think that we have to travel away from our small community to have any fun. We often don't appreciate the treasures right under our noses. I feel the Haliburton County Fair is one of those treasures. Because of my belief in the value of the fair to our youth, I approached the fair board about the initiation of a junior fair board committee to develop youth involvement and fresh ideas. I would like to thank Jim Minto, Justin Walker, Eleanor Bathe and Lance Aggett for volunteering their time and ideas. As I represented them at the fair board meetings, I realized how much time and commitment the senior board members devote to producing an event for the community's benefit.

The saying "many hands make light work" could be applied to the organization of any event. Without involvement by volunteers nothing could be accomplished - without the people coming out to share in the event, the event will cease to be.

That thought scares me! In a society that is too tired to volunteer time and too busy to take time to participate, will there be children with fond memories of a fall fair to grow up and keep the tradition? Or will this quaint pastime be a thing of the past?

Sometimes we just expect things to always remain the same and think we'll join in later when we get time. Unfortunately, in today's world, the almighty dollar dictates what stays and what goes. Things that consistently show in the red can't be kept out of sentiment and can't compete with bigger and better down the road.

So, as one of my final acts as Junior Ambassador of the Haliburton County Fair, I urge all of you to come out and support your local fair from August 20 to 22. Through your participation you will

ensure memories for the future and the possibility of "bigger and better" next year!

So, enter your craft items, decorate a float for the fair, enter the fair ambassador contest, play 3 on 3 basketball, watch the horse events, and enjoy the midway. This fair is for you, the people of Haliburton County.

Naomi Stephenson in the 1998 Haliburton County Fair parade.

It is questionable if all the mechanical inventions yet made have lightened the day's toil of any human being.

John Stuart Mill

Well, it's easy to see why old J.S. was so pessimistic - he lived back in the 19th century. If he was alive today he'd be singing the praises of the Brave New Technological world we've cobbled together for ourselves.

Consider the automobile. Just a few years ago, the car was a device whose sole purpose was to get a body from point A to point B without getting wet, frozen or stuck on a Greyhound beside a drunk with B.O.

But now? Now a driver can buy a gizmo called AutoPC. It's a piece of software about the size of a fat novel, and it mounts right on the dashboard. With AutoPC, a driver can do everything he could do if he was sitting in front of a desktop computer - spreadsheets, graphs, cruise the Internet. The system also controls the car stereo system and acts as a speed-dialling telephone. A new infrared interface allows the busy executive to use AutoPC to download files from his home or office PC.

If you're really keen to push paper

while you're on the fly, you can always order a little workmate called Auto Exec. This is a desktop workstation that's small enough to fit in a passenger-seat. It contains a compartment with hanging files - even a storage bin for a laser printer.

Isn't this wonderful? Now executives don't have to wait 'til they get to the office to start their toil - they can be hard at it even while they're driving to and from Ye Olde Salt Mine. The humble auto has become a mobile Dilbert cubicle - no excuse to ever stop working!

Ah, well. For those of us who are not enamoured with the idea of turning our jalopy into a rolling version of the office, we have an option. We can always just park the heap, right?

Right - but be careful just where you park it.

If you should happen to have the extreme bad luck to pull your automobile up in front of a DPT Model 300 Intella Series unit...my friend, your miseries are merely beginning.

This unit is what we used to refer to quaintly, as a Parking Meter. But this one's different. For one thing, each 'meter' costs about a thousand bucks. And it's 'way smarter than your average meter.

The DPT etcetera is the brainchild

of a Canadian firm, Digital Pioneer Technologies of Vancouver. Their little baby doesn't merely tell you how much time you have left, it contains a digital camera. No primitive TIME EXPIRED flags with this baby. When your money runs out, the DPT:

- takes a photograph of the offending licence plate;
- sends a digital picture to a central ticketing office;
- alerts a towing company if a vehicle is 'impeding traffic flow';
- contacts a Bylaw Enforcement officer if some ticked-off driver gives it a thump or tries to block the camera lens.

And as soon as a car pulls away from the DPT meter it automatically resets itself, so nobody gets a free five or ten minutes parking.

Is it all getting a little too hi-tech, Big Brotherish for you? Me too.

I take solace in the memory of my uncle Barlow. He has a television set in his car...but it's not as swell as it sounds.

Last April he was cruising down the Trans Canada. His wife was at the wheel. Uncle Barlow was watching This Hour Has 22 Minutes.

Then the commercial came on, and Uncle Barlow stepped out to go to the bathroom.....

Sports Fest is friendship and competition

Attendance at the annual Stanhope Sports Fest was down from last year, but organizer Garth Mole blames a conflict with other events for the lower turnout.

"I'd say we were down about 150 people this year," Mole said. "Saturday's rain postponed the Boshkung Lake Regatta until Sunday. We lost a lot of people because of that. There was a big horseshoe tournament in Gooderham on the same day as ours too."

But those who did attend the Stanhope event seemed to have a good time.

The slo-pitch tournament was won by the Beech Lake team. Second went to the Big Hawk Lake squad.

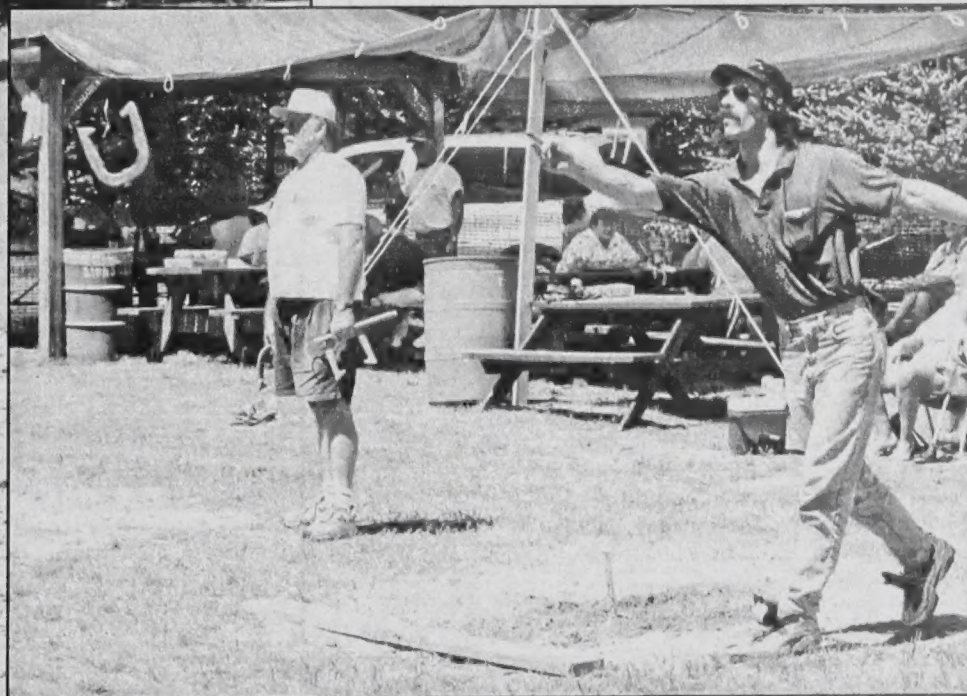

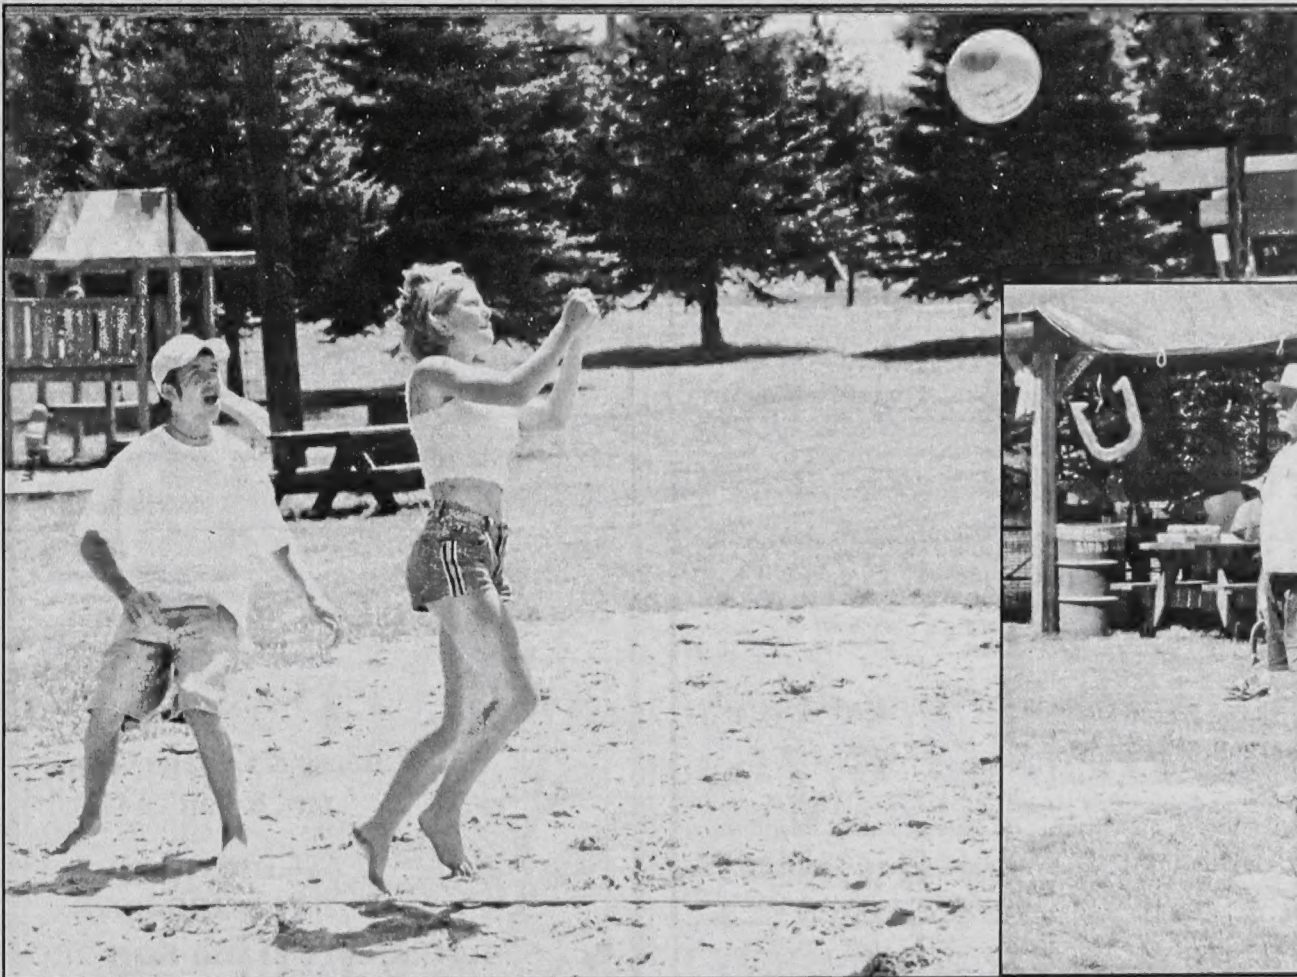

Maple Lake won the consolation title and Little Cameron Lake was second.

The Sports Fest also featured tennis, horseshoe and beach volleyball competitions.

TOP LEFT: A participant in the Stanhope Sports Fest Slo-Pitch Tournament takes a swing and a miss.

LEFT: Competitors enjoyed some friendly rivalry on the beach volleyball court.

BELOW: Numbers were down in horseshoe pitching, but the competition was fierce for top honours in the Stanhope Sports Fest Tournament.

Derby anglers catch 533 pounds of rock bass

The fourth annual Crystal Lake Rock Bass Derby drew a record number of entries, resulting in 533 pounds of rock bass being removed from the lake.

A total of 43 families and 35 individuals (22 in the 12 and under age group and 13 in the 13 and over class) fished in the tournament. An estimated 200 people turned out for the event.

First place in the Family category went to the Boyle family with 32.25 pounds. The Gates and

Barnes families tied for second place, each with 26.75 pounds. The Stewarts weighed in 18.25 pounds and the Kirkness family caught 18 pounds even.

David Hickey was first in the 12 and under division with 37.5 pounds. Jamie Hamilton was second with 27.75 pounds and Whitney Gibson landed 19.25.

Jordan Novak took first place in the 13 and over division with 27 pounds. Michael Peleshok was second with 22.5 pounds and third went to John Ross

with 21 pounds.

The first place winners in each class will have

GOOD DAY'S CATCH: Brian Ross, one of the organizers of the Crystal Lake Rock Bass Derby dumps a pail of rock bass into the back of a pickup truck for disposal. The derby was started as a means of controlling the rock bass population, but it has evolved into a family event. An estimated 200 people attended the 1999 derby at Crystal Lake Marina on August 1.

13 AND OVER WINNER: Jordan Novak (right) weighed in 27 pounds of rock bass to take top honours in the 13 and over age group. Brian Ross was the weigh-in official for the derby.

Women's charity golf tournament

Women's golfing is enjoying tremendous popularity in the Highlands. With that in mind, Family Services of Haliburton County will be hosting a women's charity golf tournament (two-woman scramble) at Haliburton Highlands Golf Course on Sunday, September 12.

The \$50 registration fee includes 9 holes of golf (shotgun start at 2:30 p.m.), dinner at the Moose Bar and Grill, plenty of prizes and your donation to the many worthwhile programs and services for children and youth in Haliburton County.

This will be the first of what is expected to be an annual event. The tournament has received overwhelming community support and prize donations, which include dinner at the Wigamog Inn and the Old Country House, a portable electric barbecue, a massage, a reflexology session and much more.

This tournament is for women golfers from all ability levels. You can sign up a team or as an individual for a fun day of golf and dining.

For more information and to register, call 457-5345. The deadline for registration is August 27.

quarters of the derby.

Brian Ross and Bill Barnes are the organizers of the derby. Ross said the event started as a method of controlling the rock bass numbers in the lake.

"It has evolved into a fun family oriented day," Ross said. "It's the kids that make the day, though."

The event is well supported by local and not so local businesses, who donate prizes.

"Generally, everybody gets a prize," Ross said. "Everybody goes away happy."

The event gains in popularity every year.

"It was the biggest turnout ever," Ross said. "It was a really good day. We were really pleased."

Ross said the event is constantly evolving.

"We try to make improvements every year," he said. "Crystal Lake doesn't have a regatta, so we thought this would be a good way to go. It is an event that unifies the families on the lake."

The Crystal Lake Rock Bass Derby is held on the Sunday of the Civic Holiday weekend each year.

Counterfeit bill passed in Minden

The following report was compiled by the Haliburton Highlands Detachment of the Ontario Provincial Police.

Counterfeit money has been reported to the OPP in Minden. On August 2, OPP investigated the discovery of a counterfeit \$5 at the Stedman's V&S store on Main Street.

Merchants and members of the public are advised to be on the lookout for the bills. Anyone requiring information on

recognizing counterfeit notes should contact Constable Laura Ostler at the Haliburton Highlands detachment at 286-1431.

Impaired Driving

On July 31, OPP investigated an incident on County Road 121, in Haliburton. The OPP noted a vehicle travelling at a high rate of speed. The vehicle was pulled over and officers spoke to the driver. Jamie Yrchu, 22, of Mississauga was charged with having a blood alcohol level

over the legal limit. Yrchu will appear in Minden court at a later date.

Theft of a Vehicle

On August 3, the OPP investigated a theft of a 1985 Pontiac 6000, from a residence on Concession 4 in Dysart Township.

The owner advised that he had parked the vehicle in his driveway, and that it had been stolen sometime between 1 and 8 a.m. that day.

The vehicle was later

discovered approximately one-quarter mile from the owner's residence in a neighbour's field. There was no damage to the vehicle.

Youth charged with assault

A 17 year-old male was arrested and charged with three counts of assault causing bodily harm on August 3, after investigation revealed that he had allegedly assaulted his mother several times during the past couple of weeks. The youth's mother had called police after her son had burned her with a cigarette, as well as other incidents. The youth was arrested and held until August 6, pending a bail hearing on August 6.

Male charged after foot chase in Haliburton

On August 5 Haliburton Highlands OPP investigated an incident in Haliburton.

During a RIDE stop an officer approached a vehicle with a female driver

Planning review: year three

(from page 3)

Eric Lillius, internet access points are now available at nine locations across the county. He said one of the key purposes of the CAP sites is to give all residents access to the internet. He said the internet will be crucial to the future development of the county and suggested that it isn't being used to its fullest at present.

• **Environment:** Carolynn Coburn reminded the audience we are citizens of a world community and have an individual responsibility to ensure the integrity of the environment. She said people must realize they are part of the environment and, as we cherish the importance of our vote in a democracy, we must realize our actions as individuals can enhance or degrade the environment.

• **Integrated Data:** Steven Foster told the meeting that this committee has a rather narrow focus. The challenge facing the committee is to identify, catalogue and make the data about Haliburton County which has been gathered by various sources available so it can be used in decision making. He noted that government agencies, like the Ministry of Natural Resources have, over the years, become repositories of vast amounts of information about the county. He said much of this information cannot be accessed because of staff cuts at the ministry. However by identifying it, the community will at least be aware of what is available. He also said there is potential for organizing the information in a user friendly manner. This could include layering the information over a GIS mapping system.

Comments

Following the presentations, the audience members added their observations to the process. The following is a sampling of some of those comments:

• It was suggested that the politicians are not being held accountable nor making strong leadership decisions. It was also suggested that the local media does not ask tough questions of the elected officials. "The media should hold the politicians accountable on behalf of the citizens of the community," the speaker said.

• One person was concerned about over-development in the county saying they did not want the Highlands to become another Muskoka.

• Concern was expressed about a sewage odour which seems to linger over portions of Lake Kashagawigamog. The smell appears to be related to the new sewer line installed on the north side of the lake.

• It was suggested that, with the improvements to the area golf courses, the Highlands could market itself as a golf destination. It was noted that it was difficult now to get the area golf courses to co-operate in joint promotions. A spokesman for the environment committee pointed out that golf courses place a heavy burden on the natural environment with the use of fertilizers, herbicides and insecticides.

• Landowners in the Highlands must accept stewardship responsibility for the land they control and where necessary, the greater community good must prevail.

• It was noted that a lot of responsibilities for the protection of the environment, which formerly rested with MNR, have been downloaded to municipalities. Many of the lower tier jurisdictions do not have the expertise to monitor some of the crucial issues.

Before the meeting closed, it was suggested that citizens interested in continuing their involvement in the planning process get in contact with the committee in which they are interested.

Loonie extravaganza fast approaching

The fourth annual Loonie Extravaganza at the Sunny Rock Lodge Bed & Breakfast is fast approaching. The adult fund-raising games night is planned for Thursday, August 19 at 6:30 p.m.

Sally Moore, the Sunny Rock owner, created this games night 20 years ago and brought the fund-raising evening to the Highlands in 1996. Half of the proceeds for this year's event will go to the Haliburton Highlands Health Services Foundation. The other half goes to a local charity chosen by the participants on the night of the event.

Participants should call Sally, 286-4922, to reserve a spot. The Sunny Rock Lodge Bed & Breakfast is located on the Scotts Dam Road. Those attending are asked to make a cash or personal cheque donation on the evening of the event.

Sally is also seeking food, beverage and prize table donations for the evening. Sally suggests donations for the prize table could include "the like new stuff in a cluttered cupboard". She is asking everyone to consider a donation to support the event even though they may not be able to attend. Call Sally for more information or about your financial & gift donations.

Haliburton climate changing

The County Advisory Committee for the Environment is organizing its first educational event, to be held at the Frost Centre on Saturday, September 18. Recognizing that so much of our economy is directly related to the natural environment, the

Committee believes that climate change is an issue that everyone should start learning about.

What does global climate change really mean at the local level? How will it affect forestry? Fishing? Farming? Hunting? Lake levels? Tourism?

The speakers list consists of five scientists, from government departments and from the private sector, who are studying this phenomenon. At the end of the day, there will be a panel discussion on what individuals can do in response.

The Committee encourages early registration, as there are only 150 spaces available, and they need to know how many lunches to prepare for by August 15. The cost of registration is \$22.00, including a mid-day meal at the Frost Centre cafeteria, or \$10.00 without lunch.

Brochures, which include a registration form, are available at various locations throughout the County: the Chamber of Commerce, the Stewardship Council information boards, the Frost Centre. Enquiries can be sent to the Chair of the Committee, Carolyn Coburn, at ccoburn@halhinet.on.ca.

People who don't have their own connection to the Internet can go to their local library. All the libraries in the

County now have Internet capabilities and staff to assist those who are unfamiliar with using the Internet. This event is being organized by volunteers. If you would like to assist in the organizing or if you just want more information, get in touch.

July weather

	C	F
Average High	28.1	82.5
Average Low	13.5	56.3
Average for the month	20.8	69.4
Highest Temp. (July 30)	33	91.4
Lowest Temp. (July 11)	6	42.8
Total Precipitation	81.6	3.2 in
Total for last July	97.2	3.8 in
River Temp. (July 30)	26.0	78.8
Days mostly Sunny	19	
Days with Rain	11	
Days with Thunderstorms	4	

Everyone was hoping for a warm July and we sure got it. Warmest in the past ten years. There were 14 days with Temperatures at 30 C or over. Rainfall was passable but less than normal. Most rain occurred the first 10 days of the month, just a few showers the rest of the month. With all the hot days we did get relief during the cool nights. The river temperature for July was the highest I've recorded. Just like a warm bath!

New show by David Risk

World tour starts in Minden

Highlands' Artist David Alexander Risk is taking a piece of Haliburton County across Canada and around the world. But before beginning the tour, his *Living Forest* exhibit opened last week at the Agnes Jamieson Gallery.

The exhibit is a amalgam of works, collected over the past year from locations inside the Haliburton Forest and Wildlife Reserve. Risk spent countless hours, through all four seasons, documenting and illustrating the plants, animals, birds and even scat he found in the forest. The *Living Forest* exhibit is a precursor to a book, about the Haliburton Forest, tentatively scheduled to be released in the spring of 2000.

"It's been really exciting to do this," said Risk, at the opening of the show in Minden. "It's always been in our hearts, the desire to put together a book." The book will be a comprehensive look at the forest, from the roots up, quite literally, as the paper on which it is printed will be produced from timber from the reserve.

The show is geared toward education, with children in mind. It combines art, artifacts, insect specimens and other items, in display cases. Many of the cases are positioned low to the ground for children to enjoy. "I've always loved working with children," said Risk.

The show combines watercolour, oils, and pencil sketches. The displays provide an interesting look at the various stages Risk takes creating his work. The display would be similar to what a visitor might find at an artist's studio.

The opening of the show in Minden is significant to Risk, as this is the first show he has held in Haliburton County for about 10 years. The show will continue in Minden until August 22. From here it will travel to western Canada, and then into the United States. From there it will move to various locations in Europe. The show will be on the road for about a year.

The latest show by Highlands' artist David Alexander Risk opened this past week in Minden. The show will travel throughout western Canada and the U.S. before going to Europe. The show is here until August 22.

NOVEL IDEAS

Bookstore & Gift Shop

There is a bookstore in downtown Minden that carries a stock of over 10,000 used books. Hard-covers, soft-covers, books for children and youths, used audio books, books for every taste and interest. Welcome to the world of Novel Ideas.

As the name implies, Novel Ideas is first and foremost a book store, a place where books are both bought and sold. However, since Sharon Luke opened the store in 1996, it has evolved. While its shelves are still lined with books, you'll find an interesting and eclectic selection of other items. At Novel Ideas you will find a growing selection of speciality magazines, many not found in other stores in the area. And if the magazine is not available, Sharon will help locate it for you. The magazine display contains titles on such topics as Metaphysical/Spirituality, Health, Textiles Arts, Native issues and Science Fiction.

Novel Ideas also has an interesting display of gift items. Always expanding and changing the lines to meet the needs of her customers, Sharon has such items as Wish Keepers (a jewellery pendant with a small, 'scroll' inside), assorted sterling silver jewellery such as toe rings and ear cuffs, prisms made from 24 percent leaded crystal, stained glass featuring beautiful angels and dream catchers by local artisans. Here you will also find an

excellent selection of the "Avalon" instrumental theme music.

The new book selection at Novel Ideas focuses on Spirituality and Self-development, however the entire world of books is available to you through Novel Ideas affiliation with the national Canadian chain, Chapters. Most of the selections offered by Chapters can be delivered to Minden within 48 hours of placing the order. If you wish, you can also browse the Chapters selection by accessing it through the Novel Ideas commercial website at www.noveliteas.net.

The website was launched earlier this year. In addition to the connection to Chapters (which allows individuals to shop the big stores while supporting a local business), the gift shop items are also featured on the site. Watch for future development of the Novel Ideas e-commerce site. The website is also part of a spirituality webbing, providing you with even more connections. In the future, Sharon plans to include copies of the Novel Ideas newsletter "Spirit Tales" on the website, along with

book reviews and a special corner for staff comments, called "Our Favourites."

In addition to all the books and gifts, Novel Ideas also provide office services. Customers use the facilities for photocopying (including enlargements and reductions), fax services, both sending and receiving, general typing and resume creation. Newly added to the service is email access. Visitors can access their email accounts from the terminal in the store and individuals without a computer can open their own email account. Their staff will be happy to assist you in this regard.

This is an advertising feature of The Times of Minden. To have your business featured call 286-1288.

Raffle winner takes car

Jean Johnston was the winner of the Haliburton Rotary Club's Car draw. She won a 1999 Venture van. The Holland Landing resident purchased the ticket from Brian Black. She is the sister of Albert Foster, an employee of Brians's. Johnston chose the ve-

hicle over the \$20,000 cash alternative.

Despite the downpour which drenched the Rotary parade, a number of hearty participants marched the distance. The following parade prizes were awarded:

Best entry: Haliburton Highlands Outdoors Association and Drag River Project.

Best theme float: Extencicare

Camps and youth groups: Scout Reserve.

Commercial entry: Beaty's Sugar Bush.

Best lodge entry: PineStone Resort.

Special organizations: the Sghriners.

The prize money, some \$1020, was donated to the Haliburton Highlands Health Services Foundation.

\$1000 RICHER: Dr. John Kerr, president of the Rotary Club of Minden presented Minden resident Marg Miller with a cheque for \$1000. The draw for the \$1000 prize was held during the evening of the Minden Rotary Carnival on July 28.

and a male passenger. The officer noticed open liquor and a bag of marijuana in the vehicle. Both parties were advised that they were under arrest. The male threw the bag out the window and proceeded to run away. The officer pursued the male and caught him. During the arrest, the man resisted and police sprayed him with capsi-cum pepper spray.

As a result of the arrest, Paul Youngberg, 36, of Haliburton was charged with possession of a controlled substance, resisting arrest, assaulting police and breach of probation. Youngberg was held, pending a bail hearing on August 6.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-6/99

Take Notice that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop-up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

Firstly: ALL and Singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 7, Concession 12, and being more particularly described as Part 13 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6511.

The Proposed By-Law will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 26th day of August, 1999 at the hour of 7:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

Dated at the Township of Lutterworth this 26th day of July, 1999.

Boshkung Regatta attracts 300

--submitted--

The annual Boshkung Lake Regatta was held on Sunday, August first, at the Matabanick Inn Beach.

Approximately 300 cottagers and friends attended the event, with many winning lots of ribbons and prizes, eating hot dogs and chips, and renewing old acquaintances. The most popular contest, the balloon toss, had about 180 participants this year, cheered on by those who wanted to see their friends get wet. It was a fun and exciting day for us all and the organizers wish to thank the Archers for hosting our last regatta of the century. Congratulations to all the winners. The results are as follows:

Girls

Four and under Boat Race - Darcy Dykeman, Jennifer Brown, Ali Hicks, Brigitta Hicks

Five to Seven Underwater Swim - Aileen Black, Caitlyn Ptok, Emma Treharne, Taryn Smith

TSW report

Water levels continue summer decline

The following report was issued by the Trent Severn Waterway staff on August 4.

The small amount of rainfall received over the week did little to recover the water lost due to the hot dry weather we have endured. The cooler weather expected in the coming week will slow evaporation from the lakes. The light rain received August 4 should help the levels of small reaches down the Otonabee and Trent Rivers.

The Haliburton area lakes continued to decline from 74.7 per cent to 69.2 per cent over the week. This 5.5 per cent drop is even more than the 4.5 per cent drop which occurred last week and is two per cent more than the average 3.5 per cent drop per week. With cooler, wetter, air masses moving in the Haliburton lakes are expected to resume their usual decline rate.

The levels of the Kawartha Lakes are doing well despite the hot weather. Flow cuts of 0.5 cm/s have had to be made to fine tune the flows in and out of lakes throughout the region.

Hot days and cool times at the home

We have said goodbye to July and now we welcome August. Another month for our visitors to enjoy the wonderful surroundings.

Our villages have been bursting at the seams with people coming and going. It makes one wonder if anyone is left in the cities south of here. The weather has been great for our visitors on holiday, but we are glad that the extreme heat is over, for now at least. When the weather is cooler we are able to enjoy our activities more.

Time now to catch up on our news. Our tea party last Thursday, July 29, was much enjoyed with the Carnarvon UCW being our hosts. We thank them for coming especially on such a hot, hot day. The following morning we welcomed Jack and Ruth Worthington for their weekly visit. We love their music. In the afternoon we stayed quiet and were pleased to have the treat wagon pay us a visit. With the rain on Saturday giving us a respite from the heat, we noticed a few visitors in. And that afternoon we were treated to ice cream sundaes. Absolutely delicious.

We were saddened to hear of the death of Albert Clarke on July 31. Albert was in his 80th year. Our sympathy to his family and friends.

Monday night card games were very interesting. Edith Russell's ability to play so well is amazing, especially at her "young age". The big winners for the night were Rick Edwards and Corinne Bonneville for most lone hands and games won.

The following morning Barbara Trocewicz joined us for morning chapel. Later that day a small group of us attended our monthly diners' club meeting with Kim and Nancy. Kim discussed with us the importance of fluids and fibre in one's diet. We also spent some time choosing our next meal of the month, which will be a roast beef dinner with diabetic lemon pie for dessert. As you can see we love our lemon pie. Also occurring at the same time was "John's Men's Club." This group of men sure have fun getting to-

gether for a good gab. Our pub night was much enjoyed with the music of the Norland Hillbillies. We appreciate this group coming so often to entertain us.

Now we are back to Thursday. As we sit here discussing the past news the aroma coming from the kitchen is very tempting. Marg, our volunteer, is back from vacation and it's time to bake again. Joining here are Lillian Harrison and Peggy

Packer. Mint swirl brownies and peanut butter cookies. We are getting hungry just smelling the delicious baking. Have to sample some.

This afternoon we are expecting Club 35 to host our tea party. Have to tell you about it next week.

We have a few announcements to make before we sign off. The very first one is to welcome Nellie Ranson back from the hospital. It is good to see her so much better. Nellie is one of the Roving Reporters and we missed her.

We send our condolences to Lynda Williams-Gonzalez on the death of her grandmother.

We also welcomed three new residents to our home. Larry, Curly and Moe. Three new fish have been obtained for our small fish tank. Of course we had to name them. They seem to be enjoying their new surroundings.

An upcoming birthday - Muriel Welch on August 15th. We wish her a happy birthday and hope she enjoys her special day.

Last but not least, a big thank to the Minden and District Lioness club. They very kindly donated a Broda Rocker, a special chair, to our home. We appreciate the gift and know it will be well used.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-5/99

Take Notice that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop-up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

Firstly: ALL and Singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 7, Concession 12, and being more particularly described as Part 14 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6511.

The Proposed By-Law will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 26th day of August, 1999 at the hour of 7:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

Dated at the Township of Lutterworth this 26th day of July, 1999.

Around the County Town

by Nora Snyder (call 286-4450)

The long middle weekend of the summer is past and what a weekend it was. So many people up here enjoying the wonders of the Highlands!! Someone told me there were line ups everywhere. All the places to stay were full to brimming. Cottage areas and the lakes must have been bustling too. Everyone seemed to have visitors.

Part of me thinks I am grateful to have survived all the activity yet another year, and another part is grateful for the activity and the opportunity to share the beautiful part of Ontario we call home.

Last week I had an E-mail from a reader of *The Times OnLine* on the internet. It is still such a surprise to get correspondence from so far afield. As I sit here in my little alcove putting the article together for the week I am not always thinking of who is reading it other than us here. When I am made aware again of how small the world is now with the internet carrying information all over the globe, it is a bit intimidating and intriguing.

This reader went to my Dad's camp in the years I wasn't there as I was off by then, married with children. He was at camp in 1969 and writes, "I remember it so clearly as I canoed across the lake in the dark to watch the first moon landing at the then Forestry School." That is a lovely image of the paddle on the lake as men walk on the moon. I am sure the image was not wasted on my Dad.

I remember that summer well too as we had rented a cottage and we celebrated my oldest daughter's fourth birthday there as we watched the moon landing. The 30th anniversary of the event was celebrated this summer so now everyone reading this column knows how old my daughter is!! Thank you for the note from the former Comak staff member. (For your information, I am Ed Devitt's oldest daughter and I would love to hear of some of your camp experiences. When I am personally hooked up the Internet I will let you know.)

In Kinmount, on Friday, August 20, Cheryl Lafferty of Lilac Lane Studio, is holding a workshop on beginner and intermediate Folk Art. The workshop will be held between 1:00 p.m. and 4:00 p.m. at the Kinmount Artisan Mart. All wood material for "bird house garden stick" is provided. The fee is \$25. Call 488-3423 now to reserve your spot. The Kinmount Artisan mart is located at the corner of highways 121 and 45, just up the hill.

St. Paul's Dinner Auction will be held on August 14 at the Minden Community Centre. The full course Roast Beef Dinner is at 7:00 p.m. but viewing of the auction items will begin from 5:30 p.m. Tickets are \$20 and can be bought at Campbell's Florists, from Estelle Burch or at the church office. There will be great things to bid on such as Antiques and slightly used old things. There will be Loonie Auctions, Draws, Live and Silent Auctions; something for everyone!! All the proceeds go to the fund-raising efforts of St. Paul's Anglican Church.

What better time for "party-time" than a 90th birthday? Doris Moore of Staunworth Court reached that special day on the 31st of July. To celebrate the occasion, family and friends gathered at her son Murray's home in the Dwight area. Daughter Carol MacKenzie had contacted long-time friends from Hamilton, Huntsville, Peterborough and Montreal for the event. Letters of congratulations were received from the Governor General, the Premier and the local member of parliament. Doris also received cards and phone calls from relatives in British Columbia and Quebec. All those gathered hoped they would be there for Doris' next birthday!!

The County Town Museum is holding a Tea Party every Thursday afternoon in August from 1 p.m. to 3 p.m., rain or shine. A lovely repast will cost you only \$3 and you will be helping the museum in their fund-raising efforts. I heard mention that one week they will be serving scones and strawberry jam!!

Another major show at the Agnes Jamieson Art Gallery opens with the extraordinary talent of David Alexander Risk. His show entitled "The Living Forest" displays his renowned talent. David has his work hanging in the collections of the Royal Family, the Prime Minister of Canada, a number of corporations and his work is much sought after by "devoted collectors". After the show in Minden, his works are will be touring North America to major centers. We have the unique opportunity to see these works of David Risk right here in our own town gallery. The show is on until August 22. What splendid talent we have seen this summer at the Agnes Jamieson and there is more to come!!

Have a great week in the prime of the summer!!

SCORING NEWS

July 29, at the Minden Legion, playing Thursday night Euchre, Esther Lee and Marg McAfee (yeah!) won most lone hands. The high scores were won by Grace Dixon and Jim Bradbury; the lows were Vi Edgson and Orval Francis. Other prizes were won by Gladys Wruth, Al Cooper and Sharon Evans.

Cribbage at the Legion on August 2 saw Elva Paisley as numero uno and Marie Dennie, second. Warren Edwards and Elva Paisley, again, won the draws.

Seniors Bid Euchre at the Legion on Tuesday afternoon, August 3, saw Esther Lee win the highest score followed by Bess Cox, Norm Lee and Ruth

Kellett. Helen Henderson won the hidden score. Moonshots were won by Helen Lee, Marcel Roussel, Marg McAfee (yeah!), and Norm Lee.

The Monday evening Euchre group, on August 2, at Club 35, saw Harry Randell win the 50/50 draw and Jean Randell win lone hands!! The high scorers were Mary Schad and Alf Whyman. Barbara Gamble and Ken Stiver took the lows. Mary Schad appeared again with the baloney.

The previous Friday evening, July 30, at Club 35, the Bid Euchre group got together for their weekly game. Dorothy Walker, Rob Evans and Norm Lee won the moonshots. The High Pinks were: Dorothy Walters with 344; Betty Matthews, 262; and tied for third with 249 were Vera Stirling and Gala Stamp (yeah!). The High Whites were: Norm Lee with 307; Rob Evans, 286; and Marcel Roussel, 284. Sharon Evans found the hidden score.

July 29, at Echo Hills, playing Duplicate Bridge, Wynne and Morris were in top place and way ahead of the pack, with 68%. Tied for second place with 51% were Vange Croucher with Maria Lehoczy and Norma Crewson with Vic Matthews. In third, with 49%, were Muriel McIntosh and Ross Fletcher.

On Tuesday afternoon, August 3, at

Stanhope, playing Contract Bridge, two small slams were bid and made by the partnerships of Dorothy Strype with Helen Rice and Wynne Hansen and Frank Schlotter. The top place scorers were, fourth, Lita Peirol with 5990; third, Ross Fletcher, with 6060; second, Barry Thrash, with 6150; and a special first place award to Edith Burch with 6540!! Congratulations, Edith!! There was another special award that afternoon, the E.I.F. award going to the worthy Len McNeice!!

At Park Lane last Wednesday, August 4, playing Duplicate Bridge, in North/South, Evelyn Wolfe and Maria Lehoczy were first with 59%. Joan Galley and Lourene Scott came in second with 56%. In East/West, Vange and Jack Croucher were a tight first with 57.44% and tied for second with 56.85% were Bruce Armstrong with Mildred Davidson and Mike Collins with Tom Hunter. It can't get much closer than that!!

The Friendship Club didn't meet last week due to extenuating circumstances so therefore no scores. No correspondence appeared at this desk before press time from Bid Euchre at Stanhope, so therefore no scores!! Hope to hear from both next week.

Wishing you all a good week at the tables!!

AUDITORS' REPORT

TO THE MEMBERS OF COUNCIL, INHABITANTS
AND RATEPAYERS OF THE CORPORATION OF THE
TOWNSHIP OF LUTTERWORTH

We have examined the consolidated financial statements of the Corporation of the Township of Lutterworth for the year ended December 31, 1998 from which the accompanying summary financial statements have been prepared. We have reported on the consolidated financial statements without qualification on March 3, 1999.

In our opinion, the accompanying summary financial statements fairly summarize the information contained in the consolidated financial statements upon which we have reported.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For The Year Ended December 31, 1998

1. The 1998 Financial Statements consolidate the operations, assets and liabilities of the Township of Lutterworth.

2. OPERATIONS OF THE SCHOOL BOARD AND THE COUNTY OF HALIBURTON

	School Board \$	County \$
Taxation	896,147	417,290
Taxation from other governments	-	716
	896,147	418,006

The revenues and expenditures are not reflected in the "Consolidated Statement of Operations". The net under/over at the end of the year are reported as "other current assets" on the "Consolidated Balance Sheet".

3. TAX RATES

Tax Class	Municipal	County	Education	1998 Total
Residential/Farm	0.0324438	0.0225084	0.0460000	0.1009522

IN MEMORIAM

MULDER, John - who passed away August 8, 1998.
*We can't have the old days back
When we were all together,
But secret tears and loving thoughts
Will be with us forever.
Each time we see your picture
You seem to smile and say
Don't cry, I'm only sleeping,
We will meet again some day.
So Lord, please put your arm around him
And give him a great big hug,
Tell him it's from his family
And give him all our love.
Always remembered and forever loved,
Evelyn, Jackie, Bruce, Daniel,
Joel, Tim, Doreen, Richard,
Randy, Connie, Mike, Molly and Amy.*
